Action Taken Report 2018-2019

Based on the student's feedback analyzed by the IQAC, the Department initiate the following actions for improvement wherever required.

1. As practiced in the previous academic year, departmental seminars are being continually organized to get the students more involved in classroom activities and create environment conducive to learning.
2. Remedial Classes were being conducted in all papers on specific topics the students found difficult to comprehend.
3. The teachers' responsibilities in terms of regularity and completion of syllabus were time and again put in check to ensure productivity is maintained.
4. Classroom teaching-learning was made more participatory and interactive. Students were introduced to interactive sessions within and outside the classrooms; especially the dormant and non-responsive students.
5. Home Visit was introduced as a method of knowing the students more thoroughly, going to their homes and understanding the difficulties and challenges that might be facing the learners; which should help in the teaching-learning process.

DEPARTMENT OF MANAGEMENT
GOVERNMENT J. THANKIMA COLLEGE

ACTION TAKEN REPORT
(2018-2019)

The actions taken by the Department based on students' feedback analysis report during the academic session 2018-2019:

1. *Completion of Syllabus/Course:*

The department has taken into action on improving daily routine and increasing the number of classes from 4 classes to 5 classes per day. It has been observed that there has been an improvement in this issue during the even semester.

2. *Use of teaching aids:*

The department focuses more on using teaching aids to improve quality learning such as projector and audio tools like smart lectern.

3. *Mentoring and Guidance:*

Following the notification and instructions postulated by the Mentoring Programs Committee (MPC), mentoring session has been organized various times during the year. Students' persona/academic problems and needs are identified during these sessions and counselling sessions were made to motivate and support students who are in need mentally and physically.

4. *Inspiring and motivating students for ethical conduct:*

The department allotted the 1st period of Monday morning for assembly, where students take turn to conduct the session. During this session, teachers as well as students share their personal and professional experiences with each other, this help the students to maintain their discipline and develop their ethos personally and professionally.

5. *Curriculum Aspect- Skill of connecting subject / topic to life experiences:*

The department with the support of the college has organized a State Level Management Fest. "Vartian Tech Meet 19" Students from Mizoram University, NIT, NIELIT, PUC, ICFAI, etc, came together with leading business houses in the state and other national and international companies. Successful entrepreneurs, Government officials are invited to give lectures during this session.
