## The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

- 2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

IQAC monitors the entire academic program, evaluate and assist all the different programmes of the College from time to time through its members. The portion of syllabus covered, lesson plan and the notes prepared by the staff are often cross checked through department committee meetings.

Admission and Examination Committee duly constituted by the Principal in consultation with the faculty meeting has been entrusted to formulate the College plan for the teaching-learning and evaluation schedules as required from time to time. College plan includes formulation of internal annual academic calendar such as the number of working days, monthly events, and daily classes routine for each Department. Distribution of classes within individual Department has been entrusted to the concern Head of Department.

Lesson plan is prepared by each teacher and the daily classroom transaction is monitored by the Principal.

Students are evaluated by conducting class test and examination schedule is given well in advance to the students.

**Criterion – III****3. Research, Consultancy and Extension**

## 3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

The IQAC constitute a Research and Consultancy Committee and the Committee is entrusted to perform the function of sensitizing and promoting research climate in the institution. The Research and Consultancy Committee has not only informed the faculty member to pursue the suggestions made by the NAAC Peer Team (2007) towards research but has also motivated the faculty members to promote research and a spirit of scientific inquiry in their teaching to the students, so as to develop and inculcate a spirit of research among the students.

Through assignments involving certain research work on relevant topics within and outside the syllabi, the students are assigned works by the various departments.

A major grievance of the students is regarding the poor infrastructure pertaining to the College building and sports facilities.

The College seeks a plot of land at the Brigade Area of Bawngkawn as earmarked by the concern authority for the College campus. Even though the College take all possible initiatives to realize the policy of the government, certain issues involved in the area puts severe strain upon the government in the allocation of the land.

With regards to sports facilities, the College availed grants from the UGC to construct an indoor sports training facilities. However, this initiative is also stalled by the issues faced in the process of allocating a plot of land at the Brigade area. The construction of the indoor sports training facilities will commence as soon as the plot of land is cleared for the College.

## Criterion – VI

### 6. Governance, Leadership and Management

#### 6.1 State the Vision and Mission of the institution

The vision of the College is reflected in the College motto ‘Soar High,’ where each learner, nurtured with values, dignity, integrity and courage clothed with determination strives to achieve excellence and attain the highest possible limit in his endeavour for the good of his individuality and the society. The curriculum of the degree course should be administered meticulously to enlighten the social, political, economic and cultural issues faced by the society along with the possible solution derived through scientific outlook to facilitate good and responsible citizenry. Learners must be made sensitive to global issues with practical approach. Therefore, the College strives for fostering global competencies among students, inculcating a spirit of healthy competition, hard work and determination in the quest for excellence.

The students should exhibit a good moral discipline and conduct complemented with adequate life skills to face the challenges of life with leadership qualities. Leadership qualities with free and independent thinking strengthened with moral dignity should form the foundation of every individual personality which is to be attained through association in various activities of the College.

Education, in general, must be the centre of transformation, preservation, and redefinition of traditional and contemporary values. And higher education plays the most significant role in the process of proliferating a cultured man and women. As such, the College envisioned an education system that nurture good citizenry with leadership qualities exhibiting a good moral discipline, in the quest for excellence and accomplishment.

Through education, the College has a mission to train the youth to contribute to wealth generation and to overcome physical, mental, social, economic, national and international impediment. The students of the College should become a valuable resources for the enhancement and sustenance of development for the nation and the state of Mizoram. Through the principle of ‘First Come, First Serve,’ in admission procedure the College aim to realize its mission of educating the youth of the rural areas, students with limited means and slow learners to acquire global competencies and necessary skills. In fine, the College foundation rest on the maxim that the means of work are as important as the end. ‘If the means are ethical, the end is bound to be productive’ - Vivekananda.

6.2 Does the Institution has a management Information System

The principal as Head of the Institution plans, implements and monitors all the activities with various committees for co-curricular and extra-curricular activities, and subject departments for academic activities along with the IQAC and the Planning Board.

The Principal conveys adequate information to the top management i.e. the Higher and Technical Education Department of the Government of Mizoram through correspondence and during visits of officials to the College. Delegated works and other information sought by the governing Department are conveyed meticulously by the Principal.

The achievements in various fields are communicated through the annual College magazine. Students and other stakeholders like parents, alumni, University, etc., can review the activities of the Institution through the website and committees.

The prospectus highlights various information regarding the College, its administration, activities, as well as the rules and regulation followed in the College.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The Institution is affiliated to Mizoram University and the curriculum is designed and developed by the members of the Board of Study under the University. Hence, the Institution adheres to the curriculum adopted and formulated by Mizoram University.

## ANNEXURE - I

**The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year:**

**The action plan of the IQAC :**

1. Submission of Letter of Intent to NAAC and to prepare Re-Accreditation report.
2. To approach the Government of Mizoram for the allotment of land for the College campus at Brigade Area of Bawngkawn.
3. To create a website for the College.
4. To continue schemes for development under UGC XIth Plan Period.
5. To strengthen the Library.

**Outcome achieved against the action plan of the IQAC :**

1. The Letter of Intent for 2<sup>nd</sup> Cycle Re-Accreditation was prepared and submitted to NAAC. However, the College does not have a working website and as a compulsory requirement towards assessment and accreditation, the LOI was rejected and an initiative for the creation of the College website was undertaken. However, the website was not completed during the year on account of some technical issues between the service provider and the firm we approached for the creation of website.
2. Since, the present campus is considered not appropriate for further expansion and development of the College. The College awaits the formal hand over of the plot of land earmarked by the Government of Mizoram. The Principal Mr. Ramhmangaiha Ralte and the senior faculty members took the responsibility of pursuing the matter with the government. Much progress was made in the process of allocating the land, but the goal was not realised since, it was imminent that the issue would be placed before the court of law who considered themselves having a valid LSC.
3. As mention above, initiative for the creation of the College was undertaken, but was not completed on account of some technical issues between the service provider and the firm we approached for the creation of website.
4. Even though the schemes under UGC during the XIth Plan Period were not responded satisfactorily by the students. Classes were conducted. The main reason for lesser attendance in this schemes is because classes were taken after regular classes, and the students were not willing to stay till late afternoon in the College
5. The library was strengthened by installing more book racks and books focussing on the syllabi of each departments were procured.

## ANNEXURE – IV

### TWO BEST PRACTISE OF THE INSTITUTION

Two of the Best Practices followed in the Institution are elaborated as below :

#### **Best Practice I:**

1. ***Title of Practice:*** Career guidance & counselling

2. ***Goal:***

The object of conducting Career Guidance and Counselling Centre (CGCC) in college for all students to prepare them against various types of competitive examination, Interview techniques, soft skill development & enhance the overall personality in addition to the prescribed syllabus of classes.

The student gets opportunity to prepare various subjects necessary for MPSC, UPSC competitive examination. Also there is compulsory general knowledge subject for second year students

3. ***The Context:***

CGCC has working since last four years in college for all students who are interested and want to make career through competitive examination contact session, group discussion, PPT, lectures on different subjects organized in college, regularly students used books, internets, referencing periodicals, newspapers in this centre. They are taking these things seriously along with their regular subjects

4. ***The practice :***

The practice and implementation of competitive examination are becoming effective & interesting to the students. It was conducted every before & after the regular schedule of college students used to visit in the centre during off lecture time. Lecturer took effort for the students.

5. ***Evidences of success :***

The students from remote areas have benefited & by this centre and become well mannered & polite by personality development. There is positive feedback from the students. The students are happy & satisfied with CGCC education. They are finding their future & career through this centre.

6. ***Problems encountered and resources required :***

Essential measures are adopted to fulfil the requirements of the students in this centre. It requires both human and financial support for the centre to run appropriately. Finance require for maintenance of computer printer, furniture, stationary etc. a little bit

money is collected from the students as fees for an essential expenditure such as programme organization, T.A. D. A., printing photography and other required expenditure. Still it requires more findings for successful working of student's bright future.

## **Best Practice II**

### **1. Title of the Practice:** Award of Appreciation

### **2. Goals :**

- To encourage the faculty for doing Ph.D.
- To encourage the faculty for doing research works.
- To encourage the faculty for presentation of research papers at seminars/conferences/workshops.
- To encourage the faculty for publication of research papers.
- To encourage the faculty to contribute their knowledge and research works towards the society through participation in professional association and publication of articles in newspaper, journals, etc.

### **1. The Context :**

The two essential pillars of higher education are teaching and research. 'Research,' in higher education, in particular has assumed significance in the globalised world of today. The accrediting agencies like NAAC also have research expectations from institutions of higher education. Through the syllabus, the UGC has also ensured the faculty and student's engagement in research and scholarly activities and providing adequate resources and support to encourage such engagement. In the light of this initiative, faculty members are encouraged to register for Ph.D., M.Phil., and to pursue research works so as to facilitate and enhance their knowledge and learning.

The performance evaluation of teachers with the introduction of Academic performance Indicators (API) for the assessment of teacher's performance implies an uninterrupted research and publication initiative, thereby, assuming greater importance in the institutions of higher education. With this background the College has given impetus to research activities in the institution, as well as attendance and presentation of papers in seminars, workshops, conferences and the publication of research works.

As an impetus for research and academic pursuit, and, as well as an encouragement for fruitful contribution towards the healthy growth of the society the College gives Award of Appreciation for Contribution Towards the Harmonious Growth of the Society

### **4. The Practice:**

To achieve this goal, certain steps are taken as follows :

- The Research and Consultancy Cell give encouragement towards the initiative to the faculty members.
- Information regarding invitation to seminars/conferences/workshops are given to the faculty members.
- Records and documentations are maintained.

**5. Evidence of Success :**

The achievement of the initiative can be briefly highlighted as follows :

Since, 2007 ie., after NAAC accreditation, the following faculty members have attain a Ph.D and M.Phil degree –

*Ph.D. degree awardee -*

1. Dr. J.V. Nunchunga, Department of Economics
2. Dr. C.Lalremruata, Department of Education

**Problems and solutions:**

With a minimum number of faculty members in each department, there is a strain upon the Principal to grant a study leave to all the faculty members intending to pursue research.

Some of the faculty members are house wife and can spare little or no time to pursue research activities or to write seminar papers or articles.

However, the Principal has given encouragement to all the faculty members that problems arising from pursuing of research and related activities would be addressed within his capacity.
