SWOC

Strength

- The presence of a highly qualified differently abled teacher in the Department is an immense inspiration for all and the students in particular. His motivational talks within and outside the College premise enhances the students' capacities to face any challenges of life.
- High enrolment of student enables the Department to perform leadership role in co-curricular activities thereby providing leadership and management skills to the students.

Weakness

- As the campus is located in the periphery of the city, transportation is a problem for some students.
- Deprived of a congenial educational environment in lower classes, a number of student's skills and comprehension of the English language is weak which adversely affected their studies.

Opportunities

- The Departmental approach to teaching-learning process entails providing accurate and extensive information in the topics common for competitive examination and University examination is a valuable resource for students aspiring to appear in competitive examinations.
- Availability of sufficient study materials and resources.

Challenges

- Building students to become responsible citizens.
- Promotion of fruitful utilization of ICT to the students in learning and gaining knowledge.

FUTURE PLANS

To apply fund for organizing national level seminar to the funding agency with an eye to encourage research-based knowledge generation and mutual sharing.

To apply research project from the funding agency with a view to produce reliable information for the policy makers as well as the academicians
