

LED bulbs are used for energy conservation. The institution managed its wastes as per the regulation of Aizawl Municipal Corporation (AMC) Plastic Waste Management Bye-Laws 2019.

2. The institution has no facility producing chemical waste, Sewage drains out automatically to AMC drainage system. The institution has a reservoir for rain water conservation which is distributed systematically.
3. The institution identified two best practices viz. Utilization of ICT and Online Classes, Green Initiatives and Eco-friendly Campus. The report was written as per NAAC guidelines which are displayed in the College website.
4. Institution's distinctiveness has been identified i.e., Discard Discrimination to foster Communal harmony which is displayed in the College website.

Long term plan:

1. Internal Complaint Committee and Women Committee formulate strategies for Gender sensitization programme annually. It organized various programmes viz. Poster Campaign Against Sexual Harassment, Awareness and Prevention of Sexual Assault, Talk on International Women's Day, Awareness on Protection of Child Rights & Sexual Harassment. It also provides special facilities like separate common room, toilets, hostel etc.
2. Green initiative has been taken up by NSS Units, Eco Club and Beautification Committee in and outside the Campus. Various Environmental Awareness, Tree Plantation, Cleanliness programme etc. has also been undertaken. Quality audit like Green Audit is an ongoing process.
3. The institution provides disabled friendly environment such as ramps for easy access to classroom, disabled toilet, screen-reading software JAWS and have provision for human assistance.
4. The institution promotes harmonious cultural environment by organizing cultural day and participating in exchange programme in and outside the Campus.
5. The institution has a Policy of Code of Conduct and formed Code of Conduct Monitoring Committee to organize and monitor various ethical sensitization and awareness programmes. It also celebrates state/national/International commemorative days during the year.
