

GOVERNMENT J. THANKIMA COLLEGE GREEN POLICY, 2019

INTRODUCTION:

Government J. Thankima College envisions a Clean and Green Campus where eco-friendly practices and education combine to promote sustainable and eco-friendly practices in the campus and beyond the campus. The green campus concept offers the institution an opportunity to take the lead in redefining its environmental culture through instilling environmental ethics among students and staff. The Institute also promotes clean and green campus through adopting, practicing and promoting eco-friendly practices among students and staff to generate Eco-consciousness among them and in the world around them.

VISION:

Attainment of Green Campus through collective participation for a sustainable solution to the problems of environmental, social and economy of the Society.

MISSION:

- To make students understand the importance of environment
- To help the students understand each individual's responsibility to save the environment and keep the campuses environmentally clean.
- To educate students to create awareness amongst the public.
