**POLICY FOR ADVANCED AND SLOW LEARNERS
(REVISED 2023)**

Purpose:

The purpose of this policy is to identify and support advanced and slow learners, providing them with tailored guidance to enhance their academic performance.

Objectives:

1. Identify advanced and slow learners.
2. Analyze factors affecting student performance.
3. Develop strategies for both advanced and slow learners.
4. Boost slow learners' confidence and skills.
5. Bridge the gap between slow and advanced learners.
6. Encourage advanced learners to excel academically and extracurricular.
7. Improve performance to enable successful careers.

Scope:

- This policy applies to all students enrolled in the institute.

Responsibilities:

- Teachers: Identify advanced and slow learners, develop tailored strategies, and provide guidance.
- Students: Take responsibility for their learning, participate actively, and seek help when needed.
- Parents/Guardians: Support their child's learning, communicate with teachers, and encourage academic progress.

Implementation:

- Regular assessments to identify advanced and slow learners.
- Development of tailored strategies for both groups.
- Provision of additional support and resources as needed.
- Monitoring of student progress and adjustment of strategies accordingly.

Review and Revision:

- This policy will be reviewed annually or as needed.
- Revisions will be made in consultation with stakeholders, including teachers, students, and parents/guardians.
