PRINCIPAL'S MESSAGE

It is, indeed, heartening to state that the College fraternity is striving with all its might for the enrichment and development of the College education.

The vision of the College is not only to produce academically qualified persons but also to proliferate new graduates who are socially efficient and worthy in all walks of human enterprises. The quality of the society depends on the quality of our products and we envisage ourselves as the active suppliers of an educated populace.

The College authorities at the higher level are also taking all possible endeavors to attain quality at the higher education. We, the teaching and non-teaching staff of the College, are putting all our efforts ceaselessly together keeping in mind that we are the builders of a better future.

1. BRIEF HISTORY OF THE COLLEGE

To meet the demand in quality education and learning, the Bawngkawn community and Durtlang Community respectively established J. Thankima College in 1993 and Lalhmingthanga College in 1992. In line with the State Government Policy, the then two private Colleges were amalgamated and, simultaneously upgraded into a deficit status and renamed as L & J College in 2002. Thereafter, the College was renamed as J. Thankima College and was provincialized in the year 2007. The College got C++ and C grade in the first and second cycle of NAAC accreditation in 2007 and 2016 respectively. She was permanently affiliated to the MZU in 2007 and registered under section 2(f) and 12(B) of the UGC Act of 1956 in 2008 and subsequently received financial assistances under the various schemes of UGC since then. Moreover, the College has been selected as Model Degree College under the RUSA 2.0 scheme.

(NAAC Accredited Grade 'A' Central University)*

FOREWORD

In a DO letter No. 1-12/2015(CM), dated 22nd December, 2015 addressed to the Vice Chancellor, Mizoram University, the Chairman of the UGC emphasized the need for an introduction of Choice-Based Credit System (CBCS) in bringing about qualitative improvement in the national higher education system. As we know the CBCS has already been included in the curriculum of different subjects in the Central universities both at Under Graduate and Post Graduate levels from the Academic Session of 2015-2016. The system has also been in place at Post Graduate level in Mizoram University from 2015-2016 sessions. It is contemplated that CBCS would be implemented at the Under Graduate level as well by all the universities minimizing the reasons for the delay. As a step towards facilitation of implementation of CBCS by the universities, the UGC has brought out detailed syllabi in consultation with various stakeholders, in as many as 107 Under Graduate courses as a template. Giving a high priority to the quality of teaching, Mizoram University has taken initiative and a regulation governing CBCS at Under Graduate level was thrashed out. The 28th and 29th Academic Council meeting considered and approved the draft Regulations of the Choice-Based Credit and Grading System for implementation in Under Graduate programmes (BA, B.Sc. & B.Com). From 2016-2017 academic sessions, all the admission, teaching, evaluation and result declaration of the above UG programmes shall be made as per the newly approved CBCS (UG) Regulations. All the Under Graduate syllabi are now available as published in this book for implementation from academic session of 2016-2017.

Notification on Implementation of Choice Based Credit and Grading System in Undergraduate Programmes (Constituent & Affiliated Colleges)

In 28th and 29th Meetings of Academic Council, regulation governing the choice-based credit and grading system in UG programmes (B.A, B.Sc and B.Com) is approved for the implementation from academic session 2016-2017. From academic session 2016-2017, all the admissions, teaching, evaluation and result declaration of above undergraduate programmes shall be made as per the approved CBCS (UG) Regulations.

The Chairmen of BOS are hereby informed to make UG syllabus of concerned subject available to College(s) and ensure that it is implemented from academic session 2016-2017.

Draft Regulations Governing the Choice-Based Credit and Grading System in Undergraduate Programmes (Constituent and Affiliated Colleges)

(Approved by 28th & 29th Academic Council Meetings)

I. Preamble

The University Grants Commission (UGC) has initiated several measures to bring equity, efficiency and excellence in the Higher Education System of country. The important measures taken to enhance academic standards and quality in higher education include innovation and improvements in curriculum, teaching-learning process, examination and evaluation systems, besides governance and other matters. The UGC has formulated various regulations and guidelines from time to time to improve the higher education system and maintain minimum standards and quality across the Higher Educational Institutions (HEIs) in India. The grading system is considered to be better than the conventional marks system and hence it has been followed in the top institutions in India and abroad. So it is desirable to introduce uniform grading system. This will facilitate student mobility across institutions within and across countries and also enable potential employers to assess the performance of students.

The Choice Based Credit System (CBCS) enables the student to obtain a degree by accumulating required number of credits prescribed for that degree. The choice based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice, learning at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning. The number of credits earned by a student reflects the knowledge or skill acquired by him/ her. Each course is assigned with a fixed number of credits based on the contents to be learned. The grade points earned for each course reflects the student's proficiency in that course. The CBCS enables the students to earn credits across departments and provides flexibility in duration to complete a program of study.

II. Objectives

Introduction of Choice Based Credit System has following main objectives:

- 1) To promote learner centeredness in curriculum.
- 2) To encourage inter-disciplinarily without sacrificing the domain knowledge.
- 3) To promote mobility of students and help in optimizing learning.
- 4) To allow autonomy to the teachers with built in accountability.

Govt. J. Thankima College
Aizawl : Mizoram

- 5) To continuously evaluate students and help in optimizing learning.
- 6) To introduce transparency in the evaluation system.
- 7) To promote teacher-student relation and engagement.
- 8) To improve employability among students.

III. Applicability of Credit and Grading System

The regulation shall apply to all undergraduate programmes (regular degree) running in constituent and affiliated colleges. Skill based occupational degree (B.Voc.) is not governed by present regulation. The regulation shall not apply to programmes like L.L.B., B.Sc. – nursing, B.Ed. and courses not specified here.

IV. Eligibility for Admission

- 1) Pass in the Higher Secondary (10+2) Examination or its equivalent conducted by any recognized Board of the State or Central Government. For admission in Science subjects a candidate must pass in the relevant subject(s).
- 2) Candidate passing with vocational courses, the equivalence may be decided by the college Principal.

V. Under Graduate Programme

- 1) The Under Graduate Programme shall consist of three academic years with two semesters in each year. The first Academic year shall comprise of the first and second semesters, the second academic year- the third and fourth semesters and the third academic year- the fifth and sixth semesters.
- 2) The working days for each semester shall not be less than 90 excluding holidays/ sports/ examination/ semester break/ vacation, if any.
- 3) A candidate shall register his/her name with the University in the first semester itself.
- 4) A candidate can avail a maximum of 10 semesters – 5 years (in one stretch). No candidate shall be allowed to appear in any course more than three times (including regular chance), and no candidate shall be allowed to appear in any course beyond ten semester of his first admission.
- 5) A candidate has to earn a minimum of 140 Credits, for successful completion of under graduate degree, with a distribution of credits for different course categories as given in following Table 1:

VI. Definitions

- 1) **Academic Year** : Two consecutive (one odd + one even) semesters constitutes one academic year.
- 2) **Programme**: An educational programme (B.Sc., B.A., B.COM. etc.) leading to award of a degree.

- 3) **Semester:** Each semester will consists of 18 weeks of academic work equivalent to 90 actual teaching days. The odd semester is scheduled from July to December and even semester from January to June.

Table 1. Course categories and distribution of Credits

S. No.	Course Category	Credits
1.	Foundation Courses (FC)	20
2.	Major Core Courses (CC)	72
3.	*Elective Core Courses (EC)	48
	Total	140

*In case of B.COM, elective core courses (EC) are not applicable; the credits shall be shifted to Core courses (CC).

- 4) **Course:** Usually referred to, as 'papers' is a component of a programme. All courses needed not carry the same weight. The course should define learning objectives and learning outcomes. A course is designed to comprise lectures/tutorials/laboratory work/field work/project work/viva/seminars/assignments/presentation etc or a combination of some of these.
- 5) **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit shall mean one hour of teaching (lecture or tutorial) or two hours of laboratory / practical work per week in a semester of 18 weeks.
- 6) **Letter Grade :** It is an index of performance of learners in a said course! Grades are denoted by O, A+, A, B+, B, C, P and F.
- 7) **Grade point:** It is a numerical weight allotted to each letter grade on a 10-point scale.
- 8) **Credit Point :** It is product of grade point and number of credits for a course.
- 9) **Semester Grade Point Average (SGPA):** It is a measure of performance of work done in a semester. It is a ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.
- 10) **Cumulative Grade Point Average (CGPA):** It is overall cumulative performance of a student over all semesters. The CPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It shall be expressed up to two decimal places.

IX. Curriculum Structure for a UG Programme

- I. Each UG programme shall be designed as 140-credit, full-time undergraduate degree programme delivered in six (06) semesters.
- II. Each course of a programme must be unitized (usually five) by concerned BOS.
- III. Each programme shall be structured with a common core curriculum that lays the foundation, and a wide set of electives based on student's choice.
- IV. Irrespective of discipline, each UG programme shall be a suitable mix of three types of courses as given below in Table 1.
- V. Up to second year (i.e. Ist, IInd, IIIrd and IVth semester) there shall be no categorization as core and elective. At the time of admission to Vth semester students shall identified one subject as Major Core Subject. Accordingly, other two subjects shall be designated as Elective Core Subject 1 and Elective Core Subject 2.

Examination and Assessment

Each course, shall be evaluated at the scale of 100. For all courses, irrespective of theory and practical, there shall be continuous internal assessment carrying 25 marks and an end-semester examination carrying 75 marks.

1) Continuous Assessment:

The outline for continuous assessment activities shall be proposed by the teacher(s) concerned before the commencement of the semester. Some suggested parameters of Continuous Assessment are class tests, seminar, quiz, home assignments, project, and many other methods. However, there shall be series of tests at regular intervals for each course (paper) incorporating various parameters as given above. Final marks shall be calculated for total 25 Marks.

The scheme of awarding marks in internal assessment for theory courses shall be as below:

Component	Total marks
Class Tests (Best two out of three)	12 marks
Assignment/seminar/project etc.	8 Marks
Regularity in the class	5 Marks

The scheme of awarding marks in internal assessment for a practical course shall be as given below:

Evaluation in the lab and record	8 marks
End-semester test	12 Marks
Regularity in the class	5 Marks

Attested

85 to 89.9%	4
80 to 84.9%	3
76 to 79.9%	2
75 to 75.9%	1

2) The End-semester Examination

For each Course (separately for theory and practical) end-semester examination shall be conducted for 75 marks each. Finally the marks obtained in internal assessment and end-semester examination in each course shall be pooled and the % marks obtained shall be calculated by the Examination Department.

Pattern of questions for theory and practical examination

Duration of theory and practical examination will be 3 hrs. The question paper shall be set covering all units/ sections.

The pattern of questions for theory papers and practicals will be as given in Table 4 and Table 5 respectively:

XI. Minimum marks for passing of a course and passing rules

- 1) A minimum of 140 Credits are required for awarding of B.Sc/ B.Com and B.A degree.
- 2) For passing of each course a candidate must secure a minimum of 50% marks (equivalent Grade 'B') in end semester examination. For internal assessment there shall be no passing marks. However, grading shall be based on marks obtained in both components i.e. internal assessment and end semester examination.
- 3) A student, who has not secured above marks, has to appear in end semester examination.
- 4) In any case a student shall not be allowed to repeat a course for internal assessment component.

- 5) A candidate shall be permitted to proceed from the first semester up to final semester irrespective of his/her failure in any of the semester examination subject to condition that the candidate shall appear for all the arrear papers of each course(s) along with the concerned semester examinations.
- 6) No candidate shall be allowed to appear in any course more than three times (including the regular chance), and no candidate shall be allowed to appear in any course beyond ten semesters of his/her first admission.

XII. Attendance

A candidate shall be eligible to appear in the end-semester examination only if he/ she attend a minimum of 75% attendance as per University ordinance.

XIII. Grading :

- 1) Each course (paper) shall be graded on the basis of marks obtained (on scaled marks of 100) during a semester.
- 2) Letter Grades and Grade Points: There shall be absolute grading where marks obtained (out of 100) by a student in a course is converted to a Grade on a 10-point scale as given in Table 6:

Table 6: Marks to grade conversion

Marks (%)	Letter Grade	Grade Value
89.5-100	O (Outstanding)	10
79.5-89.4	A+ (Excellent)	9

3) Computation of SGPA and CGPA

Following procedure shall be adopted for the calculation of SGPA and CGPA.

- 1) The SGPA is the ratio of sum of the product of the number of credits and the grade value scored by a student in all the courses opted by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$SGPA(S_i) = \sum C_i \times G_i / \sum C_i$ Where, S_i is the SGPA of the semester, C_i is the number of credits of the i^{th} course and G_i is the grade value scored by the student in the i^{th} course.

- 2) The CGPA shall be calculated in the same manner taking in to account all the courses undergone by a student over all the semester of a programme, i.e

Attested
Principal
Govt. J. Thankima College
Aizawl : Mizoram

CGPA = $\sum C_i \times S_i / \sum C_i$ Where, S_i is SGPA of i^{th} semester, and C_i is the total number of credits in that semester.

3) The SGPA and CGPA shall be rounded off to 3 decimal points and reported in the transcript.

XIV. The classification of the results

The Final Grade Point (FGP) to award to the student shall be based on CGPA secured by candidate as tabulated below:

CGPA	DIVISION
CGPA < 5	Failed
$5 \leq \text{CGPA} < 6.5$	Second Class
$6.5 \leq \text{CGPA} < 8$	First Class
$8 \leq \text{CGPA} \leq 10$	Distinction

XV. Following formula shall be used for conversion of CGPA to % of marks:

$$\% \text{ Marks} = [\text{CGPA} \times 10]$$

XVI. Transitory Provisions

Notwithstanding anything contained in these regulations, the Vice-Chancellor has the power to provide by order that these regulations shall be applied to any program with such necessary modification.

XVII. Academic Calendar

Annexure I

Illustration of Computation of SGPA and CGPA and Format for transcripts

Illustration for SGPA:

Course	Credit (C)	Grade Letter	Grade Value (P)	Grade Point (C×P)
Course 1	5	A	8	5×8=40
Course 2	6	B+	7	6×7= 42
Course 3	6	B	6	6×6= 36
Course 4	6	O	10	6×10= 60
	23			178

Thus SGPA shall be $178/23 = 7.739$

Illustration of CGPA

I Semester	II Semester	III Semester	IV Semester
Credit : 23 SGPA : 7.739	Credit : 23 SGPA : 7.812	Credit : 23 SGPA : 5.600	Credit : 23 SGPA : 6.142
V Semester	VI Semester		
Credit : 24 SGPA : 6.312	Credit : 24 SGPA : 8.000		

Thus, $CGPA = \frac{24 \times 7.739 + 23 \times 7.812 + 23 \times 5.6 + 23 \times 6.142 + 24 \times 6.312 + 24 \times 8}{140} = 6.993$

- i. The F grade is 'fail' grade. A student has to appear at subsequent examination(s). For a course if F grade is awarded, Credit points shall not be calculated. Accordingly, for a particular semester SGPA shall not be calculated unless all courses are above F grade. CGPA shall not be awarded unless each course of all semesters (I to VI semester) are graded C or above.
- ii. The CGPA is cumulative and not average of SGPA of four semesters. CGPA shall be calculated considering grade points and credits of all semesters i.e. I, II, III, IV, V and VI semesters.
- iii. In first semester CGPA = SGPA, but second semester onwards it depends on total cumulative credits a student has earned.

3) Computation of SGPA and CGPA

Following procedure shall be adopted for the calculation of SGPA and CGPA.

- 1) The SGPA is the ratio of sum of the product of the number of credits with the grade point scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA(S_i) = \sum C_i \times G_i / \sum C_i$$

Where, S_i is the SGPA of the semester, C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

- 2) The CGPA shall be calculated in the same manner taking in to account all the courses undergone by a student over all the semester of a programme, i.e.,

$$CGPA = \sum C_i \times S_i / \sum C_i$$

Where, S_i is SGPA of i^{th} semester, and C_i is the total number of credits in that semester.

- 3) The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcript.

The classification of the results

The Final Grade Point (FGP) to award to the student shall be based on CGPA secured by candidate as tabulated below:

Table 6

CGPA	DIVISION
$CGPA < 5$	Failed
$5 \leq CGPA < 6.5$	Second Class
$6.5 \leq CGPA < 8$	First Class
$8 \leq CGPA \leq 10$	Distinction

Following formula shall be used for conversion of CGPA to % of marks:

$$\% \text{ Marks} = [CGPA \times 10]$$

Transitory Provisions

Notwithstanding anything contained in these regulations, the Vice-Chancellor has the power to provide by order that these regulations shall be applied to any program with such necessary modification.
