

OFFICE NOTICE

It is hereby notified for the information of all concerned that a Voluntary Blood Donation Camp will be organized on 6th August, 2026 for the students of the 3rd and 5th Semesters.

All eligible students are earnestly requested to come forward and donate their precious blood to help save the lives of those in need. A single Blood donation camp can save several lives. We should always remember that there may come a time when we or our loved ones may also depend on the generosity of voluntary blood donors.

There will be a regular roll call for the students of the 3rd and 5th Semesters, after which the blood donation programme will commence. Meanwhile, regular classes for the 1st Semester students shall continue as per the class routine.

All students are requested to cooperate and make the programme a grand success.
